Amendment No. 1

**Solicitation No. 88-10-1002
Provide E-Rate Eligible Data Cabling Parts and Installation Service**

THE FOLLOWING INFORMATION SHALL BE INCORPORATED AS PART OF THE ABOVE MENTIONED SOLICITATION; ALL OTHER TERMS AND CONDITIONS SHALL REMAIN THE SAME:

Q1. Will a contractor who currently does business with RCSD1 as a project manager/consultant be able to bid on this project without conflict or concern?

A1. Yes, response to this solicitation is a different scope of work and considered a new contract for services. Other contractual relationships with the District will remain separate and different from this aware.

Q2. Is Mohawk the only approved cable manufacture acceptable for this bid response?

A2. Yes.

Q3. Line item number two on the bid schedule is for 62.5 micron fiber but the RFP states that RCSD1 prefers 50 micron fiber, which one should we bid?

A3. For the purposes of the bid, use the items specified by part number on the bid schedule.

Q4. Labor Rate is stated as hourly, can you clarify what you are actually looking for in this category?

**A4. Use the following descriptions as a means for providing pricing -
(See revised Bid Schedule below)**

- **Column #6 Labor Rate: This is the total labor to install 25000 feet of cable.**
- **Column #7 Material Cost: This is the total material cost of 25000' of cable.**
- **Column #8 Extended Cost: This is the sum of the two previous columns.**

Q5. It was stated in the pre-bid meeting that the labor and material category is for a quantity of one unit for each line item but the extended cost will be a total material and labor multiplied by the total quantity. Can you please clarify this as well?

A5. See Response to Question No. 4.

Q6. How many contractors will possibly be awarded this contract?

A6. In accordance with Section VI. Award Criteria, Multiple awards will be made to the highest ranked, responsive and responsible offerors whose offer is determined to be the most advantageous to the District.

Q7. Is it fair to assume that the material on the bid schedule is only for evaluation purposes only and actual material list, cost, and amounts will be on a job by job basis?

A7. The Bid Schedule quoted prices will be used for evaluation purposes and shall be viewed as the prices for material as listed for future proposal as jobs are requested.

Q8. Will you accept a 25 Year Warranty from Mohawk using Panduit connectivity products?

A8. In order to maintain continuity amongst District sites, warranty must be directly from Panduit. Offeror must be Panduit PCI certified for contractual consideration.

Q9. Will Richland One also accept and consider alternate materials pricing i.e. Black Box Brand cat 6 and Black Box 62.5 12 strand materials/products?
