Note 1: An "H" denotes the highest and an "L" the lowest percent of positive responses in the district by school level.

Note 2: The symbol "§" denotes that these are unofficial results generated by the district.

Note 3: An asterisk * denotes that there were too few responses to report the data. "NOT DONE" denotes that no responses were received.

Note 4: School level data were calculated and do not include school data where there were too few responses to report. District data were provided by SDE and summarize all school levels for groups except for students where elementary/middle school results were combined as were high/special schools.
