South Carolina's definition of gifted and talented in R 43-220:

"Gifted and talented students are those who are identified in grades one through twelve as demonstrating high performance ability or potential in academic and/or artistic areas and therefore require an educational program beyond that normally provided by the general school program in order to achieve their potential. Gifted and talented students may be found within any racial, ethnic, or socioeconomic group; within any nationality; within both genders; and within populations with physical disabilities, learning disabilities, or behavioral problems."
