

Super Six

We would like to welcome you to the 2020-2021 school year at W.A. Perry Middle School. We view the student-teacher-parent group as a team that will facilitate the best learning environment for your student and others. This year students will begin instruction virtually prior to moving into a hybrid model. We want to ensure your child has an SUPER learning experience. Thanking you in advance for your support in ensure your student has a successful school year.

Super Six Team members have two office hours per day while students are receiving virtual instructions: 8:10am-8:40am and 3:05pm-3:45pm. Each teacher can also be reached via e-mail.

6. To increase student attendance

Skills to Help Your Child Be Successful

Organization is Key

- Make a checklist of items your child needs to take to school every day. This will include textbooks, library books, IDs, paper, AVID binder, and pencils. Pack backpacks at night to ensure all items are accounted for and are ready for school the next morning.
- Students must organize AVID binders daily, and they must have them in all content core classes. They should NOT be left at home NOR in a classroom for storage.

Time Management

- Track assignments on the monthly calendar in the Agenda books. Then check off each item as it is completed. Work backward from the due date of larger assignments and break them into nightly tasks.
- Help your child record how much time he/she spends on homework each week to figure out how to divide the time into manageable chunks.
- Designate a time for homework, and help your child stick to the schedule.
