### Organization is Key

- Students must review interactive notebooks for all content core classes nightly. Notebooks should NOT be left at home NOR in a classroom for storage.

### Time Management

- Track assignments on the weekly calendar in the Agenda books. Then check off each item as it is completed. Work backward from the due date of larger assignments and break them into nightly tasks.
- Help your child record how much time he/she spends on homework each week to figure out how to divide the time into manageable chunks.
- Assign homework time, and help your child stick to the schedule.
