ABOUT THIS REPORT.....

The School Improvement Council of Bradley Elementary School has prepared the annual school report for you and the community. The report reviews the progress and growth made last year, reviews last year's test scores, and describes plans for improvement this year. Enclosed you will find an account of the progress we made toward accomplishing targeted goals in 2020-2021, as well as, the desired results for student learning that have been made a priority for this school year. If you have any questions about the information summarized here, please contact Mrs. Kezia Myers, Principal, or Mrs. Vonika Brown, SIC Chair at (803) 738-7200.

2020-2021 in Review

- A balanced literacy/response to intervention block was established for all grade-levels. This 30 minute block is scheduled during the school day to provide teachers with additional time to work with students one-on-one and in small differentiated groups on areas of weakness as identified by MyIgdis, KRA, STAR Reading and Math.
- A data room was created in which a data card for every student is maintained. All faculty members are able to assess how students are doing on common assessments and state testing administration. Student data cards are also used.
- Teachers analyze assessment data via Mastery Connect and mapped student performance from the beginning of the school year to the end of the year in effort to determine students' growth and as a means for providing targeted lesson based on the academic needs of the students. Students were also provided feedback on their performance.
- Continuous implementation of Lexia Core 5 and DreamBox is being used to improve reading and math achievement scores.

Awards & Other Points of Pride

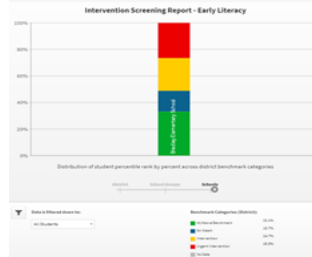

- Interest Clubs Held for Every Student
- Interactive Whiteboards in every classroom
- Three National Board Certified Faculty Members
- 100% Highly Qualified Teaching Staff
- 1:1 Computing in grades pre-K-5
- Ipads in grades PreK-1st
- MSAP Recipient
- Leader in Me Implementation

Goals for Next Year

- To provide greater opportunities for hands-on learning in science by refurbishing our FOSS kits and ensuring the use of FOSS kits and Discovery learning in all science classes. Also, provide opportunities for students to participate in MakerSpace opportunities.
- Ensure greater numeracy skills of our students by fostering a love of math through games, competitions, and increased critical thinking skills.
- Continue Project Based Learning.
- Continue Leader in Me (Schoolwide).
- Continue Career Awareness Program.
- Increase student and parental awareness of the profile of a SC graduate.
- To increase our students' scores on the state assessments in each content area by 10% or more.
