Conduct of the examinations

The following items are not permitted in the examination room:

- Electronic equipment
  Note: An approved calculator or personal CD player is permitted in certain examinations.

- Wearable technology
  Note: Examples include smart watches and smart glasses.

- Refreshments
  Note: Water is permitted at the discretion of the Diploma Programme coordinator.

- Notes or rough/scratch paper

- Books or guides

If you take any of these items into an IB examination—even if it is by mistake—you will be in breach of regulations and may not be eligible for a grade in the subject being examined.
