

**Columbia High School
School Improvement Council
Nominations for Parent Representatives
2022-2023**

The Columbia High School Improvement Council (SIC) is an advisory council to the principal that is focused on school improvement issues. It is made up of representatives of parents, teachers, high school students and community members. The principal serves as an ex-officio member. The SIC meets at least monthly during the school year.

CHS parent representatives are nominated and elected by their fellow CHS parents. Any parent/guardian of at least one child enrolled in CHS is eligible to place his/her own name or the name of another parent in nomination. Parent representatives are elected to a term of two years. If a parent has a child enrolled in the 12th grade at CHS for the current school year and will not have any child/children enrolled the following year, that parent is elected to a term of one year only.

A representative of the SIC will contact all individuals whose names are submitted into nomination prior to the election to confirm acceptance of the nomination. Nominees will be invited to submit a brief statement about themselves and why they want to serve on the SIC. All statements received will be printed on the opposite side of the ballot so that voters will have a chance to get to know each of the candidates.

You can submit your nomination to the SIC by scanning the bar code below and complete the form online. Or may return the form to the CHS school office in person or by mail. Nomination forms must be received no later than **Friday, September 16, 2022**.

I would like to nominate the following individual for a parent representative position on the CHS SIC:

*If you are nominating someone other than yourself, you may submit the parent's name in nomination even if you do not have his/her contact information available.
