

**TUITION REIMBURSEMENT GUIDELINES, 2022-2023  
RICHLAND COUNTY SCHOOL DISTRICT ONE**

The Richland County School District One Board of School Commissioners has funded a tuition reimbursement program as a part of the budget for fiscal year 2022-2023. The intent of the program is to assist educators in obtaining recertification in their areas of certification and assignment; to assist teachers teaching under restricted alternative certificates to become certified in their areas of assignment; and to assist classified employees in obtaining certification as teachers or meeting other career goals. The amount of reimbursement is limited to the tuition amount actually paid and will not exceed \$800.00 per employee per course. Courses already subsidized by the District (such as those offered through the Professional Development Center) are not eligible for tuition reimbursement. **Only courses completed during the fiscal year of July 1, 2022 through June 30, 2023 are eligible for reimbursement.** Both certified and classified employees may be reimbursed for one course per semester, **with a maximum of two reimbursements during the fiscal year period.** **Limited funds are allocated per semester. Approvals will be on a first-come, first-serve basis until funds for that semester are exhausted.**

In order to be eligible as a **certified employee you must meet both requirements 1 and 2 and at least one of items 3, 4 or 5**

1. Must be a full time employee, have completed a minimum of two consecutive years of service during current period of employment with the District, and not currently on an improvement plan.
2. Employee must pass the course with a minimum grade of “C” or better to qualify.
3. The course must be for recertification.
4. The course must be for certification in an area in which a teacher is teaching on a permit or restricted alternative certificate and will continue to teach at least one more year.
5. The course must be a required course in an accredited teacher education program, public, private college or university.

In order to be eligible as a **classified employee**, a course must meet the following requirements:

1. Must be a full time employee, have completed a minimum of two consecutive years of service during current period of employment with the District, and not currently on an improvement plan.
2. Employee must apply for coursework or training that is designed to improve current job knowledge and skills, to prepare for a promotion or licensure, or to teach job skills that can be utilized by the District.
3. Employee must pass the course with a minimum grade of “C” or better to qualify.
