

**Network Access for District-Issued iPhones**  
January 5, 2024

**Attention Richland One Staff**

The District will have three (3) production wireless networks available.

- ✓ RichlandOne
- ✓ **R1\_StaffLink**
- ✓ R1\_Visitors (School/Site Name)

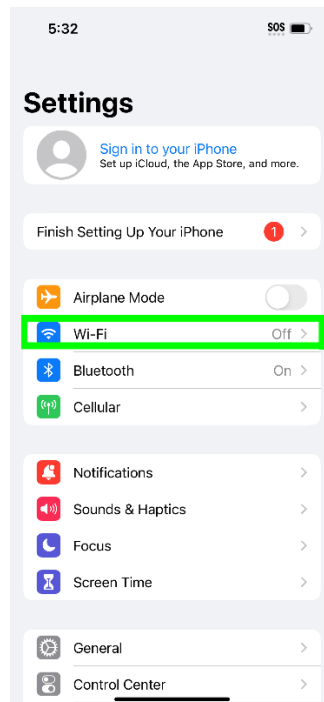

**District Issued iPhones are only permitted to use the R1\_StaffLink network for filtered Internet access. These devices are not permitted for accessing Richland One internal computing resources.**

Step-by-step instructions for connecting your district-issued iPhone to the R1\_StaffLink wireless network.

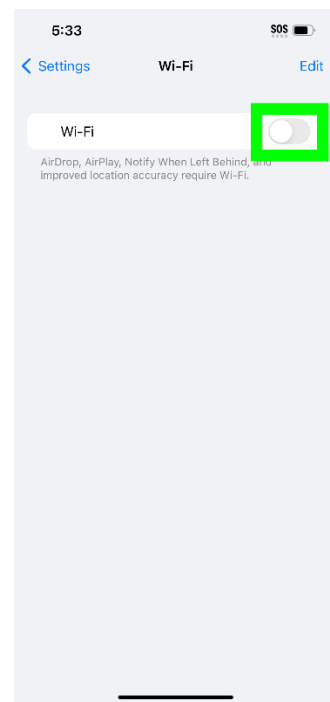

1. Locate **Settings**

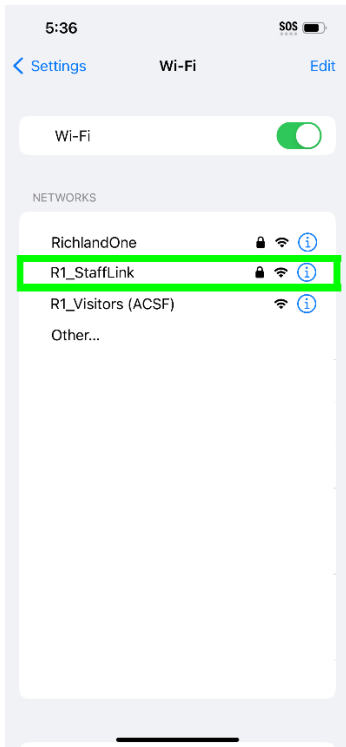

2. Select **Wi-Fi**

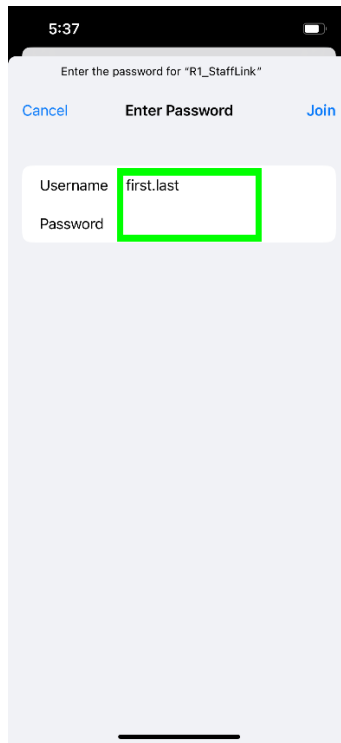

3. Ensure Wi-Fi is enabled

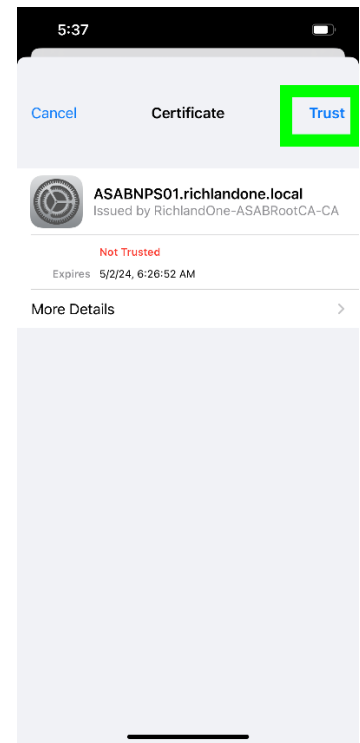

4. Select **R1\_StaffLink**

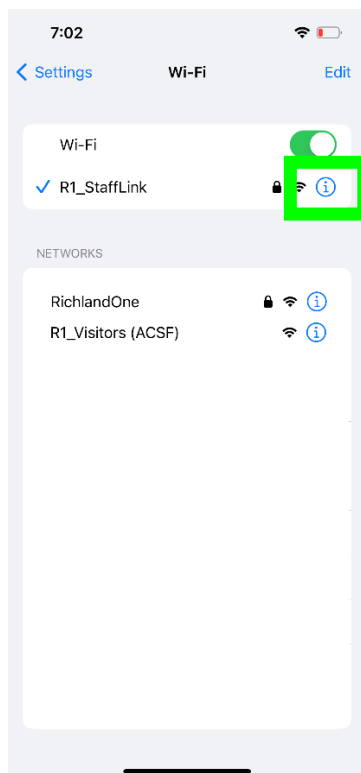

5. Enter Username and Password

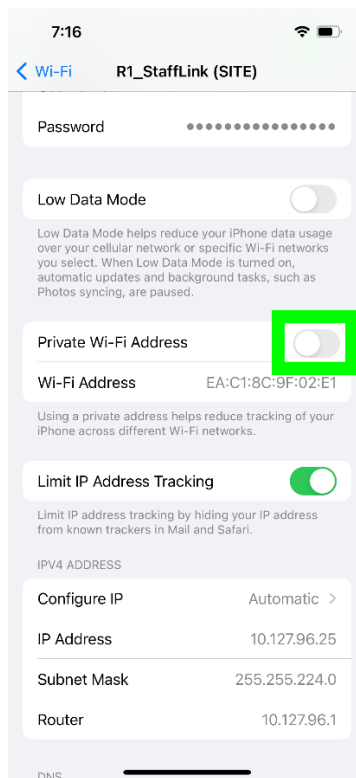

6. Select **Trust**

7. Select **Info**

8. Disable **Private Wi-Fi Address**

9. Browse the internet
