## What We Are Learning

Math- understanding equivalent fractions and analyzing data and graphs

Reading- identifying the main idea and theme of a text using supporting details

Writing- Opinion Essays

Science- Properties of Earth Materials (rocks, minerals, soils, and water)

Social Studies- Summarize the course of the Civil War in SC

## Notes From the Teachers

The district is requiring that all students use Dreambox for at least 60 minutes per week AND complete 5 lessons a week. Please make sure your child is meeting this goal. He/she can use it at home to help improve math skills.

## Valentine's Day Class Celebration

Please stay tuned to Class DOJO regarding Valentine's Day Celebrations. If your child chooses to participate in Valentines Day cards, please make sure he/she provides one for everyone in the class.

## Important Dates

2/5- Real Men Read

2/14- Sweetheart Tea  
(RSVP by 2/12 using QR code on flier)

2/28- No School

CRES Principal's Ambassadors Community Service Project will taking place 2/1-2/14. Please consider donating items for the Harvest Hope Food Drive. Items can be dropped off on the cafeteria stage. Thank you!
