

PRESCHOOL NEWSLETTER

This month in PreK we are having lots of fun learning about growing up healthy. You can incorporate our discussions at home by talking about the five senses, eating healthy foods, and things we can do to stay safe.

At the end of the month, we will begin learning about nature all around us. We will talk about plants and how they grow, things in the sky during the day and at night, the weather, and the four seasons.

The character trait for March is **Kindness**. Kindness means being friendly, generous, and considerate.

DATES TO REMEMBER:

Read Across America Week
