The purpose of the AC Flora PTSO is to advance the cause of education and to establish a mutually-beneficial relationship among students, parents, teachers, and the staff of AC Flora High School. Memberships support classroom grants to teachers, awards and recognition programs for students, speakers, facility improvements and special projects. Donations are tax-deductible. Family & Friends Memberships are greatly appreciated but do not receive public recognition for their support.

Check this box if you would like to learn more about Business Partner Memberships, which include public recognition for your business support of the AC Flora PTSO.
