About this report...

The School Improvement Council of Meadowfield Elementary has prepared the annual school report for you and the community. The report reviews the previous year's progress and growth, reviews the previous year's test scores, and describes plans for improvement this year. Enclosed you will find an account of the progress we made toward accomplishing targeted goals in 2019-2024 School Renewal Plan, as well as, the desired results for student learning that have been made a priority for this school year. If you have any questions about the information summarized here, please contact Ms. Alexis Wright or Mrs. Lakisha Cook at (803) 783-5549.

NATIONAL PAIDEIA CENTER
MODEL SCHOOL

MEADOWFIELD MISSION STATEMENT

We are Meadowfield, a National Paideia Model School leader in transforming lives through project-based learning, Socratic seminar, and student leadership.

Meadowfield is the only certified National Paideia Model School in South Carolina.

Our vision is:

Preparing

All

Individuals for productive citizenship within a

Democratic

Engaging

Inclusive

Active learning environment

School Highlights

Meadowfield has a large student body with an attendance zone encompassing several diverse communities. Meadowfield fosters independence, creativity and problem solving skills. It is the only school certified as a National Paideia Model School in South Carolina.

Paideia makes us unique through:

Student-led Conferences Students meet with their parents to review their personal achievements & develop goals for the next nine weeks.

Coached Projects Students work collaboratively on projects and present their learning at a school event like a play or festival.

Seminars Students sit in a circle to have conversations about something they have read, listened to, or watched. They learn how to ask each other questions, constructively debate, and improve their communication skills.

Awards:

MLK Food Drive: Meadowfield was recognized by the R1 School Board for being one of the Top Three schools in the district for collecting the 1504 pounds non-perishable food items.

Paideia Meadowfield was awarded the Jack McCall Award for the most "Powerful School-Based Paideia Leadership."

Related Arts Musical Mustang Chorus students participated a Spring Musical.

Teacher Leaders Two teachers earned their National Board Certification, four teachers presented at national educator conferences, and our school nurse has been selected to serve as the President of the SC Association of School Nurses.

School Demographics

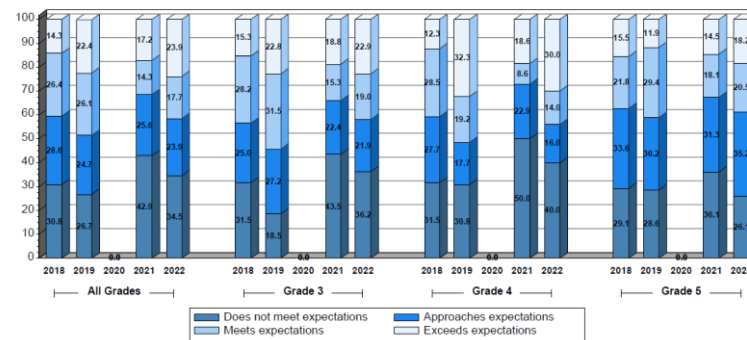

- 630 Students in Pre-Kindergarten through 5th Grade.
- 63% African American, 9% Hispanic, 21% White, 7% Other.
- 70% of our teachers hold a Master degree or higher.
- There is a wide range of income levels among our families.
- The student attendance rate is 92%.

Test Information

The SC READY Reading, Writing and Mathematics Test were taken online during the 2022 school year. Students in grades 4 also took the SC PASS Test for Science. Students in Pre-Kindergarten through fifth grade are also assessed throughout the year to determine mastery of curriculum standards and to guide instruction.

Achievements & Goals

Our goals are to:

- Increase the academic achievement of all students in all academic areas.
- Ensure that staff is knowledgeable, competent, productive, and highly qualified.
- Improve clarity and communication of opportunities for school involvement and advance parent and public understanding and support of our National Paideia Model School.

Strategies to achieve these goals are:

Professional Development School

This partnership promotes a collaborative school environment with pre-service teachers, Meadowfield staff, and University of South Carolina professors. USC courses are taught on Meadowfield's campus where interns practice research-based strategies in our classrooms.

Professional Development focused on Literacy

Our Professional Learning Community provides instructional rounds, analysis of data, Multi-Tiered Systems of Supports (MTSS), and team lesson planning. Each component addresses effective literacy and numeracy instructional practices. Local and National experts with reading, writing, and math workshop continue to enhance our instruction.

Community Support and Partnerships

The Rhodes Agency, Greenlawn Baptist Church, and Shandon Baptist Church provide significant voluntary and financial support. The Parent Teacher Organization sponsors school and neighborhood activities. The United Way's Midlands Reading Consortium provided community volunteers to read and mentor students. The University of South Carolina provided mentors for students to share their portfolios.

Student Leadership

All students are encouraged to improve their school experience through representation on Student Council, Safety Patrol, and Mustang Morning News anchors. Students practice democratic ideals learned within the Paideia model by leading service learning experiences. Current projects include: a food drive for Harvest Hope Food Bank, March of Dimes Walk, and a Red Cross Blood Drive. Special Education & Safety Patrol students initiated a school-wide, year-long recycling project to make the world a better place. Students also participated and earned recognition at our district and regional science and state art fairs.
