Krista Jones: Preschool Team Leader

Overview

The Richland County School District One Department of Special Education’s program for the preschool student with disabilities is an educational and related service program for students ages 3 through 5 years who have one or more of the following disabilities:

- **Developmental Delay** (significant delay in one or more area: cognitive, communication, self-help, social-emotional, motor)
- **Speech/Language Impaired**
- **Autism**
- **Orthopedically Impaired**
- **Other Health Impaired**

A variety of special education services are available throughout the district, depending upon the needs of each individual child. Contact our office for more information or to schedule your child for a screening appointment.
