FIRST GRADE!

Dear First Grade Families,

We are so excited to have you in first grade. We anticipate a great year!

We believe in communicating with parents as often as possible. This sends a very positive message to your child that we are all working together to give them the best education possible! Our main form of communication will be Class Dojo, information will be sent home with your child at the beginning of the school year. We look forward to working with you!

We are looking forward to a fantastic 2021-2022 school year!!
