

# Welcome to Second Grade!

We are looking forward to meeting you! It's going to be a great year full of fun learning and lots of new adventures. We can't wait to see what the year has in store for us. Our goal this year is to help your child grow as a strong, independent and accountable learner, as well as show him/her how to make responsible choices. We are excited and ready for a brand-new year.

**Please see the back for a list of school supplies that are needed for a successful year!**
