Dear Caughman Road Families,

We are so excited you and your child are here for the 2024-2025 school year at Caughman Road Elementary! We hope that your child had a summer filled with learning, playing, and lots of rest. We are going to do many new, fun, and exciting things this school year. You will be amazed at how much your child will grow and learn this year. Many seeds will be planted to help your child grow and blossom. We look forward to working closely with every family. If you have any questions, please let us know. We are going to have the best year yet!

Thank you,

Your Pre-Kindergarten Teachers
