Coronavirus (COVID 19) tips for students and parents.

The importance of wearing a MASK!

Masks are a critical step to help prevent people from getting and spreading COVID-19. A cloth mask offers some [protection to you as](#) well as protecting those around you. Wear a mask and [take every day preventive actions](#) in public settings and mass transportation, at events and gatherings, and anywhere you will be around other people.

Wear your Mask Correctly!!!

- [Wash your hands](#) or use hand sanitizer before putting on your mask.
- Put the mask over your nose and mouth and secure it under your chin.
- Fit the mask snugly against the sides of your face, slipping the loops over your ears or tying the strings behind your head.
- If you have to continually adjust your mask, it doesn't fit properly, and you might need to find a different mask type or brand.
- Make sure you can breathe easily.

Test Dates ACT/SAT

ACT:

Date: **Feb. 6, 2021**

Date: **April 17, 2021**

Date: **June 12, 2021**

SAT:

Date: **March 13, 2021**

Date: **May 8, 2021**

Date: **June 5, 2021**

Wear a Mask to Prevent Getting and Spreading COVID-19

Dos

- Wear a mask over your nose and mouth to help prevent getting and spreading COVID-19.
- Wear a mask in public settings when around people who don't live in your household, especially when indoors and when it may be difficult for you to stay six feet apart from people who don't live with you.
- Wear a mask correctly for maximum protection.
- Wear your mask under your scarf, ski mask, or balaclava in cold weather
- Keep a spare mask to replace one that becomes wet from moisture in your breath, snow, or rain.
- Store wet reusable masks in a plastic bag until they can be [washed](#).

Don'ts

- Put the mask around your neck or up on your forehead.
- Touch the mask, and, if you do, [wash your hands](#) or use hand sanitizer.

STAY SAFE HORNETS AND ENJOY YOUR BREAK!
