

# WHAT IS SIC?

School Improvement Council is an advisory council to the principal and school on issues related to school improvement.

# IT IS NOW TIME FOR NOMINATIONS!

By law, every K-12 public school in South Carolina must have an SIC that is made up of parents, teachers, and community member representatives.

Every SIC must have at least four different types of members: elected parents, elected teachers, appointed community members, and at least one ex-officio member who is the school principal.

We are asking that you nominate parents and teachers to be an **SIC member, and/or officer.**

# WHO IS ELIGIBLE TO SERVE AS A PARENT REPRESENTATIVE?

Any parent, guardian or other individual who serves as a student's primary caretaker is eligible to serve as a parent representative on the SIC for as long as he/she has at least one child enrolled in the school.

Parents can nominate themselves or be nominated by other parents.

# WHO IS ELIGIBLE TO SERVE AS A TEACHER REPRESENTATIVE?

Any teacher who is currently assigned to the school is eligible to serve for as long as he/she remains assigned to the school. Teachers may nominate themselves or be nominated by a fellow teacher at the school.

# SIC OFFICERS

Every SIC should have at least three officers: Chair, Vice-Chair (or Co-Chair), and Secretary.

The most important qualifications for serving as an SIC Chair are a strong commitment to assisting the school in meeting its improvement goals and an ability to work well with others. It is particularly important that an SIC Chair be able to work in partnership with the principal as the Chair is the primary link between the SIC and the principal.
