

Frog Street Threes

Frog Street Threes provides purposeful instruction for children ages 36-48 months to prepare them for Kindergarten. The key components of the curriculum are:

- ⇒ Easy-to-use activities developed around early brain development research,
- ⇒ Well-rounded scope of activities that address all developmental domains,
- ⇒ Intentional instruction that optimizes key windows of opportunity for growth and development, and
- ⇒ Social and emotional emphasis featuring Conscious Discipline by Dr. Becky Bailey.

The curriculum focuses on three areas of development. They are:

- ⇒ **Social Emotional Development**-Social Bridge - Interactive play, Sharing, Caring and following through on commitments
- ⇒ **Literacy Development**-Engaging read-aloud stories help to develop a sense of story and a love for reading, Vocabulary development, Formal introduction to the alphabet, phonological awareness, writing and fine motor skills
- ⇒ **Numeracy Development**-Attributes, Classification, Patterns, One-to-one correspondence, Order, Numeration, STEAM, Logical reasoning & problem solving.
