Webber Elementary School
140 Webber School Road Eastover, SC 29044

Our number one goal, first and foremost, is always to provide the safest transportation possible for the children who ride our buses. All the individuals in our department strive to bring service to your children and harmonize together in a single tune of safety, above all else. We would like to remind parents of pre-kindergarten and kindergarten students that a responsible adult must be at the pickup and drop off location daily. If no one is waiting at the designated stop, the child will be returned back to school. If you question whether you will be able to make it to the stop in time, please call the Transportation Dept. so we can contact your child's driver. The safety of our students is a priority.

North Main Transportation: (803) 691-5578
Lower Richland Transportation: (803) 695-5505

We wish you and your family a safe and wonderful Thanksgiving break!

Everyday Mathematics: Daily Decisions

We all use mathematics daily in what we do. Involve your child in using numbers to solve problems and make those everyday decisions with you. For example:

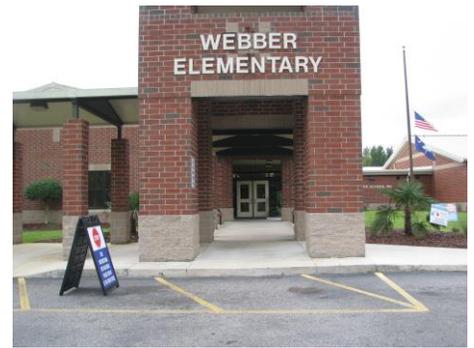

"Do we have enough plates and utensils for all the guests coming for the birthday party?"

"We are doubling this recipe. How much of all the ingredients will we need?"

"We are fertilizing the lawn. The fertilizer bag covers three square meters. How many will we need?"

"This store is selling the game you want for 20% off of \$27.00.

That store is selling the same game for \$19.99. Where should we shop?"
