Academic Resources to Support “Learning at Home”

	<p>Math, Reading, etc.</p>	<p>Parent Toolkit provides parents with a comprehensive guide to helping their children succeed in school and life, whether they’re just starting out in pre-school or preparing their college applications. It is produced by NBC News Education Nation and supported by Pearson. Also in Spanish.</p> <p>https://www.parenttoolkit.com/</p>
	<p>ExploreLearning Gizmos</p>	<p>Gizmos is a secondary science resource that is aligned by indicator in district curriculum documents. Teachers should plan personalized blended lessons that incorporate this resource to meet the varying needs of students. Gizmos can be used with whole class, small group or individual instruction based on the needs of students. Teachers can edit resources provided with each Gizmo to meet the needs of their classroom.</p> <p>Secondary Resource Target Audience: Grades 6 – 12 Please see the lead science facilitator at your school for username and password information.</p> <p>https://www.explorelearning.com/</p>
	<p>Vocabulary</p>	<p>Test your verbal sensors with two great games—Robo-Bee and BIGbot. Share your own word creations and definitions at the turbo-charged Build Your Own Dictionary. Give your vocabulary a growth spurt with Merriam-Webster's Online Student Thesaurus.</p> <p>http://wordcentral.com/</p>
