Academic Resources to Support “Learning at Home”

Resource	Content Area	Description
	Phonics and Reading	<p>MyLexia is a research-proven program that provides explicit, systematic, personalized learning in the six areas of reading instruction, targeting skill gaps as they emerge, and providing teachers with the data and student-specific resources they need for individual or small group instruction.</p> <p>Please see your child’s teacher for username and password. www.mylexia.com</p>
	Literacy	<p>BookFlix is an online literacy resource that pairs classic video storybooks from Weston Woods with related nonfiction eBooks to reinforce reading skills and introduce children to a world of knowledge and exploration.</p> <p>Elementary Resource Target Audience: Grades PreK – 3rd.</p> <p>Login Directions: 1. Go to: http://www.rcsd1.org/schools/bookflix/. 2. Choose your school from the Drop-down menu 3. Or click “BookFlix Remote Access.”</p>
	Math, Science and Social Studies	<p>Flocabulary is a K-12th ELA, math, science and social studies resource. This resource is aligned by indicators and can be found in district social studies curriculum documents. Flocabulary can be used to support whole class, small group or individual instruction based on the needs of students.</p> <p>Elementary and Secondary Resource Target Audience: Grades K – 12th. Please see your child’s teacher for username and password. https://www.flocabulary.com/</p>
	Math	<p>DreamBox Learning is an interactive, adaptive, self-paced program that provides engaging activities for students to learn and practice skills in mathematics. It delivers "learning units" where students learn and practice important mathematical concepts with an emphasis on conceptual understanding and algebraic thinking.</p> <p>Students in grades K – 5th have access to this resource. Please see your child’s teacher for username and password. www.dreambox.com</p>
