

Greetings Parents/Guardians,

Can you believe it is almost back to school time? This year our school staff is committed and dedicated to sustaining our school excellence. **Our students are the best, our parents are great, and our community is outstanding!**

Now, more than ever before we are committed to continuously improving our teaching and learning, so that every student is college. It is our goal to ensure all students meet target growth goals and demonstrate dramatic gains in achievement this year.

If you have not completed enrollment verification for your child, it is not too late. Please come by log into Parent Portal to update and register for the 2022-2023 school year. It is important that all returning student students complete the enrollment process before the first day of school. This will ensure students are placed in a homeroom class for smooth first day of school. Parents as we prepare to launch the 2022-2023 school year, please keep the following in mind:

- Class assignments will be given out on August 9th (5:00pm-7:00pm), to returning students who's completed the enrollment verification process.
- First day of school is Tuesday, August 16, 2022
- School starts Daily at 7:30am and ends at 2:30pm.
- Our school traditional uniform expectations are encouraged for all students. Students will continue earning points for SOAR celebrations, based our school wide learning and behavior expectations.
- We will host our Annual Learning Challenges, where all students are expected to reach the goal of reading 100 books (20 minutes nightly) and learning 100 math facts this school year.

Check out school website <https://www.richlandone.org/Page/49> and follow us on social media for latest updates on Back to School Events. I am looking forward to working with each of you to ensure your child receives a high quality education every day and every chance. If I can be of assistance, please know my office door open for you to stop in a speaking with me. Also, I can be reached by email monica.owenscarter@richlandone.org or by calling the school 803-731-8900.

Educationally,

Dr. Monica Owens Carter
Principal
