

# Digital Learning Environment Transforms Learning in Richland One

Technology Proficiency

Devices for Every Student

With students having access and use to a personal device, the opportunities for learning are greatly expanded allowing students to:

- Research solutions to real-world problems
- Create authentic products
- Collaborate with peers and experts around the world
- Explore new environments, innovations, and cultures
- Learn ethical and appropriate use of technology (digital citizenship)
- Experience new and emerging technology tools
- Discover new knowledge and solutions
- Expand their understanding and use of technology
- Foster independent learning and creativity
- Apply knowledge and skills
- Develop technology literacy skills
- Facilitate growth and leadership

**Beliefs** We believe that... Everyone learns. Each person has immeasurable worth and needs to be valued. Every person is responsible for his/her choices and actions. Integrity governs our behavior. People are interdependent. Change provides opportunity for growth. Excellence is attainable.

**Mission** We are Richland One, a leader in transforming lives through education, empowering all students to achieve their potential and dreams.

**Vision** Richland School District One, in collaboration with an engaged community, is committed to ensuring that each learner achieves his/her potential in a safe, caring, academically challenging and diverse learning environment that will develop productive citizens for a changing world.

**Objectives** Students will master numeracy and literacy skills. Students will demonstrate higher order thinking, social skills, and character traits necessary to be contributing citizens in a global society. As life-long learners, students will be empowered to continue exploring their interests and passion.

**Standards**

1. Creativity and Innovation
2. Communication and Collaboration
3. Research and Information Fluency
4. Critical Thinking, Problem Solving, Decision Making
