Dear rising senior student and parents/guardians:

We are excited to offer an opportunity to our rising seniors for the 2024 – 2025 school year. Seniors can take advantage of an additional late start/early dismissal opportunity. With the addition of our Flight Time period each day, students receive the 200 minutes required by state law to meet the qualifications of a full-time student. This means that some rising seniors may be able to add additional late start or early release periods to their senior course requests.

To qualify for this this opportunity, the following guidelines must be met:

1. A review of the student transcript must confirm the student is scheduled for the necessary courses to graduate.
2. Students need to be on track to earn a College/Career Ready designation prior to earning this additional opportunity.
3. Students must have transportation to participate in this opportunity and will not be able to remain on campus during their released time.
4. This privilege will be revoked if a student does not maintain expectations of grades, attendance, and discipline. This includes attending Flight Time each day.

The student and parent understand that requests are not guaranteed. This change will alter our senior scheduling needs. Please remember to return this form no later than **Tuesday, May 28th**, so your student's counselor can review credits and make sure your student is on track for graduating in the spring of 2025.

Early Release/Late Start is a privilege extended to students. I have read and understand the criteria for Early Release/Late Start. I agree to abide by all the conditions stated above. Early Release/Late Start requests are not guaranteed and are dependent upon the availability of graduation requirements within the Master Schedule.**

- Yes, I would be interested in additional Early Release/Late Start.**
- No, I do not want additional Early Release/Late Start. Please leave my requests as they currently are.**
