Essay Prompt

Our firm serves catastrophically injured people throughout South Carolina. All too often, we see the horrible effects of distracted driving on our state's roadways. With this scholarship offering, we want to highlight the dangers of texting and driving and other forms of distracted driving with the hope of eliminating it altogether. Please write an essay focused on the dangers of distracted driving and what can be done to reduce or eliminate it. The essay must be at least 500 words, but not exceeding 1,000 words long.
