Learning Activities or Experiences	Re-watch your favorite movie (if necessary). Once you are finished, brainstorm a possible sequel for your movie with new original character. Task 1: Due APRIL 28th Create a model sheet for your new character. The model sheet should feature a front, side and angled view. Go back and review how to make model sheets in the previous lesson (Day2) if necessary. <i>Apply any type of Color Media throughout.</i> Task 2: Due APRIL 30th Create a movie poster of the new movie with both the original characters and your new character. It is recommended to look up some movie posters of the movie you are making a sequel to in order to get a good sense of how to design your poster. <i>Apply any type of Color Media throughout.</i>
