

Image Editing E-Learning

Week of March 30 – April 3:

Goal for Week: To use our knowledge of Photoshop to create an avatar from the movie

Main Standard Covered: Retouch photos to modify skin, makeup, and hair (Creating and Manipulating Images #6)

To-Do List:

1. Use Photoshop (or GIMP) to create an avatar similar to the one from the movie. The steps for the tutorial can be found here... <http://icanbecreative.com/article/create-james-camerons-avatar-movie-poster-in-photoshop-tutorial/>

Hope everybody is doing well and staying healthy. We are going to try to move on with some Photoshop curriculum if technology allows us to. I know a few of you have had Photoshop issues recently and one or two of you do not have Photoshop on your laptops at all! Don't stress though. If Photoshop is not working for you then you can use GIMP. Let me repeat that...it is possible to complete this activity using GIMP.

A few quick notes about the tutorial...

1. Although the website claims that it will take 5-6 hours to complete, I can assure you that it will not. You can do this in 90 minutes.
2. You can use any picture that you would like. It can be a picture of yourself or of someone else. Just make sure it's a fairly close-up shot, ideally from the shoulders up. You can download the picture of the girl provided by the website if you'd like.
3. I have provided many of the attachments that you will need to complete the tutorial (eyes, ears, leather pattern, zebra pattern)
4. MOST of the steps involve tools/techniques that we have already learned but STEP 9 does not. SKIP STEP 9.

This is what we were going to do before we got sent home. **If you are struggling with the tutorial then I will host a Zoom meeting tomorrow (Tuesday, March 31st) at 1:00 pm. Use the link on the next page to join the meeting. This is optional but take advantage of the opportunity if you need it. Or if you just want to say hey!** This will be your first grade of Q4, so let's make sure we get off on the right foot! Miss all of you very much. Stay safe and well.
