**Situation:** You have reached the position of most influential in the midlands. The world's richest man wants to sponsor your own brand for the summer. You have to let him and his designers know what kind of clothing items you are most interested in wearing for the coming break. They want to reward you for your awesome job, staying put during the quarantine, and they want to create a complete line of shoes and clothing for you. Amancio has invited all Spanish One students to share their fashion for all the seasons since it will be winter soon in the southern hemisphere. He has stores all over the world!!!

**Product:** A catalogue of new designs for the different seasons.

#### **Can-do Statements:**

- I can tell what I like to wear
- I can ask others about their fashion preferences
- I can write descriptions in a fashion catalogue
