LOWER MONTESSORI MS. EDMONDS AND MRS. HUDSON

Dear Parents,

As the year is coming to a close, we have been thinking about supplies for next year. We are planning on purchasing all of the supplies listed below from the Richland County School District One Warehouse at a cheaper price than retail stores. This will make it easier for us to our school year and hopefully save you the hassle of running around and money. Below is the costs owed for the supplies next school year. We hope that you will help us support our district warehouse. Please send in \$15 in the attached envelope on the first day of school if you wish to take advantage of this. If you write a check please make it out to your child's teacher as this does not go through the Logan school account.

Thank you,

Ms. Chandra Edmonds and Mrs. Marnie Hudson

They need supplies like glue, scissors, tape, and colored pencils. I would greatly appreciate it if you could buy these items to keep at home for them to use as needed. Many of our supplies get lost going back and forth to school this way.</p>
