

Expectations and Procedures for E-Learning

I will be using Edgenuity (E2020) to deliver content to you over the course of this unexpected break due to COVID-19. I will also be using Edmodo for you to submit daily work from E2020 and ALEKS for some assessments/homework assignments. **Please be sure you are paying close attention to due dates for assignments on Edmodo** and taking the time to complete the work I have assigned. I will do my best to make this as easy on you guys as possible, but please also understand and respect the fact that I will be learning how to make this work at the same time as you all are. I ask that we all try to extend some courtesy and grace to one another during these difficult times. Please make sure you are looking over the weekly To Do lists and scanning in/taking pictures of work I've asked you to complete. This is how attendance will be taken!!! **DO NOT HESITATE TO EMAIL OR REMIND MESSAGE ME WITH ANY QUESTIONS YOU MAY HAVE!!!!!!**

- **When and how will you be able to reach me?**
 - I will be available via *Email/Edmodo/Microsoft Teams/Remind Message* Mon-Fri from **9AM – 11AM and 1PM – 2:30PM**
 - I will most likely be available during other times throughout the day but I will **100% always be available during those times!!!!**

Things you need to do ASAP:

- You need to login to Edgenuity ASAP
 - Your E2020 login information is as follows:
 - **Username: yourstudentid@r1student.org**
 - **Password: your student ID**
- You also need to join your class' Edmodo page ASAP if you are not already a member
 - Edmodo is how you will submit all of your assignments to me!!!
 - I will post the Edmodo codes below for those of you who still need to join
 - If you have ANY questions about logging in to E2020, Remind Message or Email me immediately at Lindsay.smith@richlandone.org
- Email me if you need your ALEKS login information
 - You will complete some homework/classwork assignments on ALEKS as well as your weekly ALEKS topics
- Check if you are a member of your class' Microsoft Teams (MT) – If you are not EMAIL OR REMIND MESSAGE ME ASAP and I will add you
 - MT is another way for you to have access to weekly To Do lists, announcements from me, etc.
- If you are not a member of your class' Remind Message group, I will also include those codes below
- Be sure you are checking your email, Edmodo, and Microsoft Teams EVERY DAY
- **YOUR FIRST ASSIGNMENTS WILL BE DUE STARTING TUESDAY, MARCH 17TH!!!!**

Algebra 1 and Foundations:

- You will have daily lessons and assignments to complete (just like you would if we were in school)
- I will post a weekly To Do list for each week and have places for you to submit your assignments via Edmodo
- You can take pictures of your work and upload these pictures to Edmodo
 - **Please make sure the picture quality is good enough for me to be able to read what you have written on your paper**

Geometry:

- You will have a lesson or assignment each day, but not both (to account for the A/B schedule)
- I will post a weekly To Do list for each week and have places for you to submit your assignments via Edmodo
- You can take pictures of your work and upload these pictures to Edmodo
 - **Please make sure the picture quality is good enough for me to be able to read what you have written on your paper**
