

UPDATED INFORMATION FOR ELEARNING - LINDSAY SMITH

DREHER MATH DEPARTMENT

To whom it may concern:

I will no longer be using Edgenuity to deliver content to students. For the foreseeable future, I will be posting videos in the eLearning folder on Microsoft Teams for students to watch. Students will be asked to complete assignments in ALEKS or via Edmodo. Students should always refer to the weekly to do lists posted on MS Teams and on Edmodo to ensure they are completing all assignments for my class.

Due to the extension of eLearning, there is no way to avoid proceeding with new content. I understand this may cause stress for students and parents, but I assure you I will be grading with leniency and compassion for our current situation – THIS DOES NOT MEAN STUDENTS DO NOT HAVE TO COMPLETE THEIR ELEARNING ASSIGNMENTS!!!

I am here to help in any way I can. **I can be reached throughout the day via email:** lindsay.smith@richlandone.org and can also be reached at my **Google Voice phone number: (803) 574-1415**. Students may text this number at any time but please only call during my scheduled office hours: *Mon-Fri 9am-11am and 1pm-2:30pm*. **I can also Zoom (video chat) with students to tutor/answer specific questions they may have.**
