Here to Help: SC State Library Offers Tutor.com

COLUMBIA, MARCH 24

The South Carolina State Library will offer Tutor.com through [Discus - South Carolina's Virtual Library](#). This temporary offering is available until June 30, 2020 to support students, parents and educators while schools and libraries are closed because of the COVID-19 pandemic.

Tutor.com connects students (and parents!) with expert tutors and career coaches in more than 80 subjects and test prep areas. The Tutor.com K-12 Learning Suite includes live, one-to-one tutoring, a real-time writing center, test preparation, practice quizzes and 24/7 access to worksheets, videos and tutorials.

Tutor.com has twenty years of experience providing online tutoring, homework help and test preparation and has served more than 18.5 million sessions. Ninety-five percent (95%) of their survey respondents report that Tutor.com helps them improve their grades, complete their homework assignments and raise their confidence.

South Carolina residents can access the online service from the library or from home on any computer or mobile device connected to the Internet. Tutoring is available 8:00 a.m. - 10:00 p.m., seven days per week. This free service is made possible by the State Library of South Carolina.

To get started:

- Visit SCDiscus.org.
- In the A-Z list of resources, click on Tutor.com
- Login with your DISCUS account to get immediate access.

About the South Carolina State Library

The South Carolina State Library develops, supports, and sustains a thriving statewide community of learners committed to making South Carolina stronger. The Library serves the people of South Carolina by supporting state government and libraries to provide opportunities for learning in a changing environment. It is the primary administrator of federal and state support for the state's libraries. In 1969, as the result of action by the General Assembly, the State Library Board was redesignated as the South Carolina State Library and assumed responsibility for public library development, library service for state institutions, service for the blind and physically handicapped, and library service to state government agencies. Headquartered in Columbia, S.C., the Library is funded by the state of South Carolina, by the federal government through the Institute of Museum and Library Services, and other sources. For more information, please visit www.statelibrary.sc.gov or call [803-734-8666](tel:803-734-8666).
