

# C.A. Johnson Hornets

All students will have access to eLearning lessons through Microsoft Teams. Students can access Microsoft Teams by logging into to their online Microsoft 365 account.

Students should follow these steps to access Microsoft 365:

- Go to <https://www.office.com/>
- Log in with your full email address ([username@R1student.org](mailto:username@R1student.org))
- Use your password that you use at school to log into your computer.
- Select  Teams
- You will see your teacher MS Team pages.
  - If you do not see a MS Team page for your teacher, [email](#) your teacher directly and ask to be added to their page or request the MS Team code for you to add yourself to the page.
- If you have questions about assignments that your teacher has provided, you should email the teacher directly. Teachers will be available to answer questions about assignments. Teacher email addresses may be found on C.A. Johnson homepage under Faculty Listing
