

Prekindergarten Mathematics Activities: Please complete 3 out of 5 activities listed. Check the items as your child completes them.

I Can Statements

- I can sing songs and rhymes.
- I can count to 20.
- I can count objects.
- I can recognize numerals up to 10.

_____ **Activity 1: Music and Movement:** Listen to and discuss these songs about nature all around us.

----------------------------------------------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------

_____ **Activity 2: Counting Objects:** Have your child to gather 10 household objects. Assist your child if necessary. Place the objects in different positions (straight line, curved line, etc.) and have your child to count them.

_____ **Activity 3: Reading:** Read Chicka Chicka 123 using this link or select a book from your child's library: <https://www.youtube.com/watch?v=T7rjMs-EF24>. Be sure to talk about the pictures.

_____ **Activity 4: Number Match:** Using the number chart below, cut the numbers apart and play number match. Turn all of the numbers over and have your child to flip over 2 cards at a time. He/She will need to identify the numbers that they turned over. If the numbers match, he/she takes another turn. If not the same, you (the parent) will select 2 cards and repeat the same process. Continue until all cards have been selected.

_____ **Activity 5: Number Walk:** Take a walk in your neighborhood. Talk about the numbers that you observe and their location. Write down the numbers when you return home.

SC Early Learning Standards

- ⇒ Rote count to 20 with increasing accuracy. MTE-1s
- ⇒ Count up to 10 objects in a variety of ways (for example, left to right, right to left, in stacks, etc.). MTE-1t
- ⇒ Count up to 10 objects arranged in a line using one-to-one correspondence with increasing accuracy, and answer the question “How many are there?” MTE-1u
- ⇒ Recognize numerals up to 10 and attempt to write them or number-like forms during play and daily activities. MTE-1v

My child has completed the required learning activities during the eLearning day. This paper must be returned to your child’s teacher within 5 school days of the eLearning day.
