

April 06, 2020
Pre-K e-Learning
Weeks 3 and 4

Parents:

We hope that all is well with everyone! We also hope that you are continuing to enjoy working on the learning activities at home with your child.

Last week we learned about navigating the world around us, reciting nursery rhymes, and counting objects as we finished up our first 10 days of e-learning packets.

This week we will continue working on our new 30 day e-learning packet which addresses reading daily, writing about what was read, and practicing math fluency.

Please know that we are all here to support you and our students. Our office hours are 9:30-11:00 and 1:00-2:30, Monday-Friday. We will not be available April 10-19, as this is our scheduled spring break.

If you did not get a chance to pick-up the 30 day e-learning packet from the school last week, you should receive it soon in the mail. Please continue to work as much as possible using the packet that was sent to your email address until it arrives.

Resource of the Week:

Scholastic Learn At Home is a resource to help provide opportunities for your child to continue learning at home. On this website, day-by-day projects have been created to keep your child reading, thinking, and growing while learning at home. Please visit www.scholastic.com/learnathome for more information.
