E-Learning Day Digital Resources

RICHLAND COUNTY SCHOOL DISTRICT ONE

Parent & Student Guide

Richland One Digital Learning Resources

The Office of Learning Environments and Instructional Resources (LEIR) is responsible for the vetting, evaluation and monitoring of all instructional resources that supports teaching and learning. Please find below a list of digital learning resources that can be accessed using the internet at home or with a mobile device. A description of district supported resources and the links needed to access them are in the chart below. If you and your child are unable to determine the required username, password or class information needed please reach out to your teacher.

Richland One Digital Learning Resources

Resource		Description
ALEKS		**Assessment and Learning in Knowledge Spaces (ALEKS)** is a Web-based, artificially intelligent assessment and learning system. ALEKS uses adaptive questioning to quickly and accurately determine exactly what a student knows and doesn't know in a course. *Grades 6 – 12* *Login Information:* https://www.aleks.com/ See teacher for log-in information
BookFlix		**BookFlix** is an online literacy resource that pairs classic video storybooks from Weston Woods with related nonfiction eBooks to reinforce reading skills and introduce children to a world of knowledge and exploration. *Grades PreK – 3* *Login Information:* *Go to: http://www.rcsd1.org/schools/bookflix/* *Click "BookFlix Remote Access" to use resources*

Discovery Experience		**Discovery Education Experience** enables teachers to personalize instruction by assigning different resources to students in a single class that students can access through unique logins. **Discovery Experience** also includes an assessment builder that provides immediate, actionable feedback, which teachers can use to understand individual student needs. *Grades 3 – 12* *Login Information:* *Go to: https://richlandone.discoveryeducation.com* *Enter: Username: (firstname.lastname)* *Password: (Enter Richland One Network Password)*
Dreambox		**DreamBox Learning Math** is an adaptive, online math program designed to complement classroom instruction and deliver results. *Grades K – 5* *Login Information:* *See teacher for class code and username*
Flocabulary		***Flocabulary*** is a learning program for all grades that uses educational hip-hop music to engage students and increase achievement across the curriculum. *Grades 3 – 12* *Login Information:* *Go to:* https://www.flocabulary.com/?signup=login *Login using Microsoft 365* *Richland One Email Address & Password*

Follett Destiny		**Follett Destiny** provides K-12 schools the ability to manage their library resources and media assets. *Grades K-12* *Login information:* https://search.follettsoftware.com/metasearch/ui/2099 *Student ID number is needed to view resources*
Learning A-Z		**Learning A-Z** is a blended learning platform that combines teacher-led whole-class and small-group instruction with technology-enabled resources for personalized reading practice. All resources are accessible online and available in printable, projectable, and digital formats. *Grades PreK – 5* *Login information for RAZ Kids:* https://www.kidsa-z.com/main/Login?_ga=2.190326443.1024682510.1583854210-416874517.1583854210 *See teacher for their username information*

Lexia Core 5		**Lexia Core5** is a research-proven program that provides explicit, systematic, personalized learning in the six areas of reading instruction, targeting skill gaps as they emerge, and providing teachers with the data and student-specific resources they need for individual or small- group instruction. Each student has prescribed usage based on his/her personalized learning paths. *Elementary Resource* *Target Audience:* PK, K, and grade 1 teachers. Grades 2-5 students will only receive Lexia if they are in the bottom quartile (25% or below). *Login Information:* Go to: https://www.lexiacore5.com/register *Please see teacher for their email address*
Newsela		**Newsela** is an Instruction Content Platform that brings together engaging, accessible content with integrated assessments and insights to supercharge reading engagement and learning in every subject. The content in **Newsela** covers topics that are engaging to students and allows teachers to select text set that are aligned to standards. *Secondary Resource* *Target Audience: Grades 6 – 12* *Login Information:* *Go to: www.newsela.com* *Sign in with: Microsoft 365* *Enter: Richland One Email and Password*

TeachingBooks.net		**TeachingBooks.net** is an online database of thousands of multimedia resources you can use to explore children's and young adult books, and their authors for grades 6th-8th .These resources can be used by teachers, students, librarians, and families to explore children's books and young adult literature and their authors. While most of the book readings on TeachingBooks.net are audio excerpts of a book, there are many books also being read.
