

5th Grade Classroom E- Learning Newsletter

May 11, 2020

Parents,

The Fifth Grade Team of Teachers at CRES wants to remind you that we are going to make it! You're not alone. We'll get through this together and we will come out on the other side even stronger than we went in. We want to encourage you to stick together, guide your kids emotions, guide your own emotions and stay connected with family and friends.

As we start another week of E-Learning, teachers will still be providing Zoom lessons for Math and ELA. Students are encouraged to log on and actively participate in these lessons.

Please stay tuned for updates related to turning in of April's booklet, Promotion Ceremony and any other relevant dates and details. We are aware of how important this final moment in Elementary is for each child at Caughman Road and so we are planning to still make this a special moment for them.

Feel free to contact your child's teacher if needed. We are here to support you and your child in this unprecedented time.

REMINDERS: Please have students complete their required Dreambox and Lexia minutes each day.
