<p>4 Math Worksheets</p> <p>Khan Academy Math:</p> <p>Focus on fractions and decimals. Practice adding, subtracting, multiplying and dividing fractions with like denominators.</p> <p>Practice converting mixed numbers to improper fractions and vice versa.</p> <p>Practice your multiplication tables through 12x12</p>	<p>Reading Read and answer questions from two articles of your choice.</p> <p>Grammar 4 Grammar Worksheets: the Week 6 worksheets are the “At Home” portion of the Week 5 worksheets, located at the bottom of the page.</p> <p>Writing Workshop Continue your rough draft, any topic, be prepared to share it in our conference. If you feel you have hit a dead end, begin a new story. We can discuss both when we meet.</p>	<p>Continue your log of the following: Meals and snacks: what are you eating each day?</p> <p>Exercise: How often do you exercise each day (may include any form of play that raises your heart rate)?</p> <p>Screen Time: How much time each day are you spending in front of a screen (include time spent doing schoolwork as well videogames, Youtube, etc.)</p>	<p>Last week, I asked what you think and asked you to write your thoughts: who should decide when to re-open schools, public spaces and businesses? Why?</p> <p>This week, with the decision made, do you agree with it? Why or why not?</p> <p>Write your thoughts.</p> <p>Research and write about “The New Deal”. What was The New Deal and why was it needed?</p> <p>Khan Academy will be a good resource, and The History Channel will have information as well.</p>
