e-Learning Update - Week 4

Good morning,

Welcome to week 4! Yes it has been four weeks. I hope you and your families are safe and well.

This week we will have two Zoom meetings. Please check your child's Class Dojo for days and times.

Here are a few things to keep in mind for week 4:

1. Please make sure you are filling in and signing off on your child's weekly work plan that is included with each packet. These sheets and student work will be collected at a later date. We have not yet been given the date. There is more information available on the district website.
2. Do your best! This is for parents and students. Things are not normal at all right now, but learning must continue. Please follow the eLearning instructions and lesson plan included in each packet. The children may need some support, but try to give them as much independence as possible. It's their work, not yours. If they try their best and get some parts wrong, go over their mistakes with them. Mistakes and practice are how we learn.
3. Remember, I am available to support you and your child. Please contact me if you need support.
4. Zoom meetings will be twice a week as a class. Please try to join us. I will announce the topic and Zoom login information the day before our meeting on Class Dojo. If your child needs an individual conference please let me know.
5. Please check Class Dojo daily as I will send updates and other information to you throughout the week.

Remember we are all in this together! You are not alone. Please reach out if you need me. My office hours are M-F 8:30-11:00 and 1:00-3:00. I check Class Dojo throughout the day. Please allow 24 hours to respond to emails.

Thank you for all you are doing to support your child's learning at home. Keep up the good work! Stay safe, calm, and well!

Spring Break starts Friday. Take a break!!

Peacefully yours,

Mrs. McKeivitt-Johnson
