

E Learning Upper Elementary 4th Level Week Four
Please use the notebook given with the packet to complete work

ELA

Writing and Reading Comprehension

- Daily: Personal Literature or Reading A-Z: you each have an account. Please check your ClassDojo messages for user name and password. Read for at least 30 minutes in a book of choice. Use the TDA style response to respond to your reading daily.

TDA Response: Title, Date, Name, Pages read

Paragraph One: Summary of pages read
Paragraph Two: State an opinion based on pages read, then support the opinion with text evidence using direct quotes.

Language/Grammar

Grammar Sheets: Please complete the "At Home" assignment at the bottom of each sheet.

- Monday: Grammar Sheet 1
- Tuesday: Grammar Sheet 2
- Wednesday: Grammar Sheet 3
- Thursday: Grammar Sheet 4
- Friday: Finish any unfinished work.

Math	Geometry
<p>Daily: Review Multiplication facts (1x1 through 12x12)</p> <p>The math tests should be used as practice, not as actual tests.</p> <p>Monday: Math Test 1 Tuesday: Math Test 2 Wednesday: Math Test 3 Thursday: Math Test 4 Friday: Complete any unfinished work</p>	<p>Draw (and label each shape) a design of your choice using the following:</p> <ul style="list-style-type: none"> (1) Right triangle (1) Isoceses triangle (2) Scalene triangles (1) Paralellogram
Science	Social Studies
<p>Make a mini-poster: Use a sheet of blank paper, choose one planet, draw it, color it, and write description that includes its diameter, place in order from the sun, gas giant or rocky, and the number of moons. Draw the moons around it.</p> <p>Using the following SC Science Standard, begin researching the planets in our solar system. Draw and label the planets showing their order from the Sun. Write a short description of each planet.</p> <p>Develop and use models that show the locations and order of the planets in our solar system.</p>	<p>What are your thoughts as we all go through this pandemic alone, but together?</p> <p>I've noticed that Clyde has grown really attached to me. I'm around a lot, and he likes to be near me. By the time this is over, he and I will be much more closely connected to one another.</p>
