e-Learning Update - Week 6

Parents,

We are now beginning week 6. Thank you for all your hard work.

This week:

1. Completed student work for Weeks 1 & 2 only should be dropped off at school by Wednesday April 29th. Bins will be picked up Thursday, April 30th at 7:30AM.
Please seal your child's work in a large manila envelope and label it clearly with the following:
Week 1 & 2 work
Your child's first and last names
Teacher's name
Grade level
Drop-off bins will be placed outside the school in the car rider drop-off area.
2. If you have not emailed your child's weekly work plans for weeks 1-4 to me please do so . You may simply take a picture of it and email that to patricia.mckevitt@richlandone.org. Weekly work plans should be emailed to me on Mondays going forward. Week 5 work plan is due now.
3. Zoom meetings this week will be Tuesday and Friday at 2:00pm. We will also have our Saturday Zoom meeting. The time change is due to classroom packing. I will be available via Class Dojo if you need me for anything.

Please contact me if you have questions. My office hours are M-F 8:30-11:00 and 1:00-3:00. I check Class Dojo throughout the day. Please allow 24 hours to respond to emails.

Please check Class Dojo daily as I will send updates and other information to you throughout the week.

Peacefully yours,

Mrs. McKeVitt-Johnson
