

Dear Families,

This week the students will be working on days 14-18. This week in ELA, they will be focusing on non-fiction passages, answering questions based on the text, and singular and plural nouns. In math they will be working on comparing numbers, array word problems, and partitioning shapes.

Also, be on the lookout from your child's teacher for a zoom meeting. We will be teaching a Math and an ELA lesson this week using zoom. The lesson will be focused on the topics from days 14-18.

Our office hours are 9-11 am and 1-3 pm. We can also be reached at the following emails:
