

Message from the Principal

Greetings,

I am delighted to welcome you to our school's webpage. I would like to extend a warm welcome to all stakeholders including our students, staff, parents, and community members. As the principal of Meadowfield Elementary, I am excited to embark on this journey as our Mustangs "Light the Path for Greatness" this school year and many years to come.

At Meadowfield Elementary, we believe in providing an inclusive and nurturing environment where every student can thrive academically, socially, and emotionally. Our dedicated team of educators are committed to fostering a love for learning, critical thinking, and empowerment through the renowned Paideia approach to learning.

Paideia is a Greek term that refers to a comprehensive form of education that focuses on the development of the whole child. The Paideia approach focuses on creating a well-rounded student that is in pursuit of lifelong learning. Paideia aims to encourage deep dialogue, conversations, and debates surrounding what they are learning and how it connects to their lives and the world around them. Students are active participants in this learning process, and we are proud of the impact that has been made.

I invite you to explore our webpage to discover more about our academic programs, extracurricular activities, and the dedicated staff who serve our community daily. Please also visit our page to stay informed on the latest news, events and important announcements.

I look forward to meeting and working closely with all members of our community as we prepare the next generation of leaders. Together, let us create a meaningful learning experience that extends beyond the walls of our school and into the hearts of our community.

Thank you for all that you do for students and staff at Meadowfield Elementary,

Myah Woods
Principal
