eLearning Newsletter #6

Dear Parents,
Well, we've almost made it through our first ever eLearning Season! This is my final Newsletter. I wanted to thank you for being such great sports during this time. Your support for your children and me has been amazing. For those of you who have Seniors moving on to middle school, I wish you the very best. I have enjoyed working with you and, of course, your child. I have seen tremendous growth in all of the students, and I am so proud of the work they have done.

I will be at Caughman Road again next year, so please do not hesitate to email me if you have any questions.

I will continue to post information on Class Dojo with end of the year updates.

Have a happy summer and continue to enjoy your children.
Big Love,
Melanie Maas
