## eLearning Newsletter #3

Dear Parents,  
I hope you guys had a great week off. Below is another suggestion that may help during this time. Again don't hesitate to contact me!

### **Be creative about new activities — and exercise!**

*Incorporate new activities into your routine, like doing a puzzle or having family game time in the evening. For example, my daughter and I are baking our way through a favorite cookbook.*

Reading Packet 1, Section 2 Lesson 2 pp.55,68-77 & Math Packet pp. 11-15 should be finished by Friday, April 24,2020

Focus on reading is on Characters.  
& math focus is Understanding Addition and Subtraction of MultiDigit Numbers
