

ABC COUNTDOWN

It's hard to believe that we are coming close to the final days of the school year. On Thursday, April 28th we will start our count down to the last day of school. Please follow the schedule below to see what we will be doing each day. We want to make the last days of school as fun as possible while still learning.

We are asking for parents to donate the following items for your child's classroom. The following items are: sidewalk chalk, ice pops (unfrozen freeze pops that can be put in the freezer), Kool-Aid Jammers (box of individual juice), lollipops, Oreos and popcorn (individual bags that are already popped). Please send a message to your teacher and let the teacher know what item you will be donating. Thanks for all that you do.
