

***The Most Dangerous Game:***  
**Pre-reading Questions**

1. What is the most dangerous sport/game/activity you can think of? Explain your answer.
  
2. What is the most daring thing you've ever done? It can be something as extreme as bungee jumping or as simple as a rollercoaster ride ... anything that made you just a little nervous.
  
3. For what reason do you think people participate in dangerous or daring activities?
  
4. How should someone decide when a sport/game/activity is too dangerous?
  
5. What are your general views on hunting?
  
6. Some people hunt just for sport. In other words, they don't hunt for food, but they hunt for fun and to practice their skills. What is your opinion about this?
  
7. Do you believe animals have feelings?
  
8. What is the value of a human life? Why does it matter that someone is here?  
Throughout history, what are some examples of people thinking their lives are worth more than other's.
